# UKRLEGPROM

## #Fashion&Production

[www.ukrlegprom.org](http://www.ukrlegprom.org)

**Ukrainian Association of enterprises of textile & leather industry (Association "UKRLEGPROM") founded in 2000.**

**Today Association "UKRLEGPROM" unites about 200 members – the biggest Ukrainian enterprises which creating added value services or products like:**

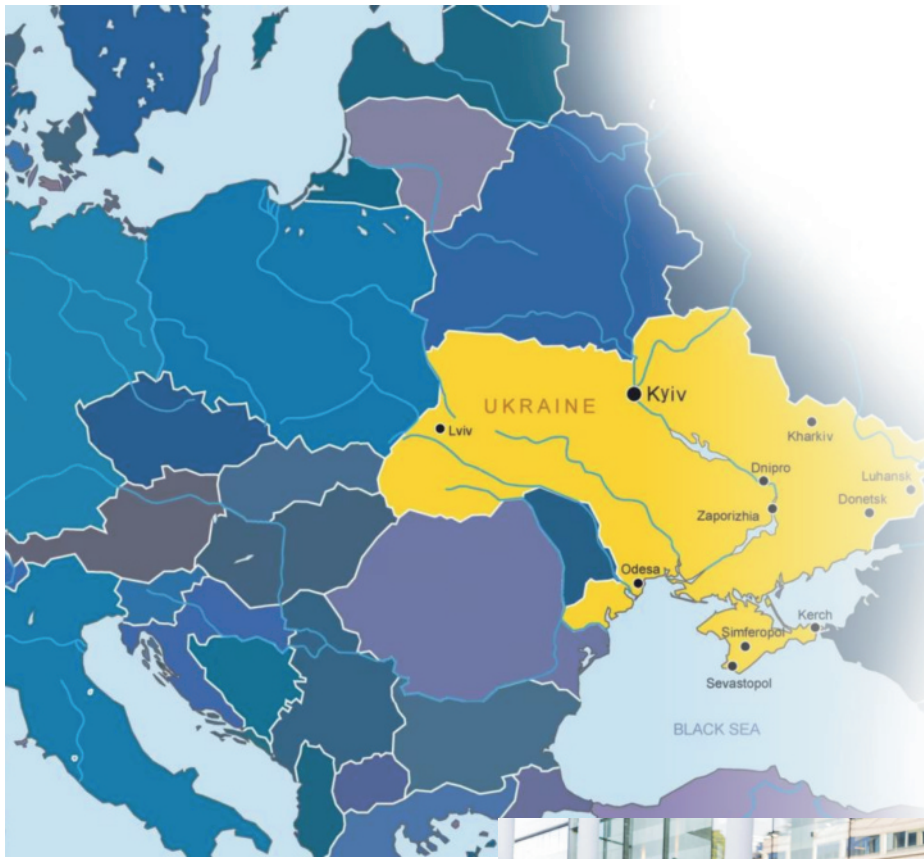

- ✓ outwear and underwear, knitwear, sportswear, leather wear, fur wear
- ✓ work wear, uniforms, military clothing
- ✓ fabrics, knitted materials, non-woven materials, technical textiles
- ✓ home textiles, interior decorations, toys
- ✓ leather, leather haberdashery, fur
- ✓ footwear, safety shoes

### **Mission of Association "UKRLEGPROM"**

Protection of Ukrainian producers and lobbying of their interests in public authorities.

### **The basic activities of Association "UKRLEGPROM"**

Ensuring equal market conditions of Ukrainian and imported goods  
Popularization of Ukrainian textile & leather products on internal and external markets.

Common border with EU countries  
Poland, Romania, Hungary, Slovakia

High-quality products

High-quality execution of orders

Reduced production & delivery time

Reduced cost of transportation

Positive experience of long-term  
partnership with EU brands

Highly skilled, English-speaking staff

# RELAST

LLC Relast is a modern Ukrainian company specializing in the production and supply of high-quality woven tapes. Founded with the aim of creating products that meet the highest standards of quality and innovation.

What makes the company special? Firstly, it's impeccable quality. The company uses only the best materials and advanced technologies to manufacture its products. Each tape undergoes meticulous quality control to ensure reliability and durability.

Relast is also known for its wide range of products. The company produces tapes from polypropylene, polyamide, and polyester, also using jacquard equipment, which allows for the production of tapes with any inscription, pattern, or logo. The company offers various types of tapes for different industries and tasks.

Thanks to its high quality standards, wide range of products, and environmental consciousness, Relast continues to be a leader in its field and inspires customers to reach new heights.
