

Dnipro Hotel

Privatization teaser

Nestled in the heart of Kyiv in close proximity to the country's main square, Maidan Nezalezhnosti, Dnipro Hotel features 186 rooms, restaurants, bars, SPA, and several conference halls.

Hotel's major advantages

- Central location only a few steps away from the Government Quarter and the key cultural and historical heritage sites of Kyiv.
- Excellent transport accessibility due to location at the intersection of city's main streets with public transport stops (including metro) within a walking distance.
- Breathtaking panoramic views of surrounding parks and the Dnipro River.
- Absence of modern hotel properties with comparable location in Kyiv.
- Availability of surface guest parking area with the total capacity of 56 parking lots.

General overview of the Hotel

□ Dnipro Hotel is situated on a land plot of 0.2831 ha. In addition, an associated land plot of 0.158 ha in front of the Hotel is used for parking. The JSC Dnipro has a right of perpetual use of the aforementioned land plots.

Dnipro Hotel performance indicators

The indicators are based on JSC Dnipro financial statements for 2019.

It has to be taken into account that current technical condition of the Hotel building coupled with inefficient use of Hotel area does not allow for full utilization of the advantages of the Hotel location. Thus, the performance indicators should be treated as achievable in current conditions.
